

SoLVBL Solutions Enters into UX/UI Product Design Agreement with KRFTWRK Inc.

Toronto, ON – April 13, 2022 – SoLVBL Solutions Inc. (“**SoLVBL**” or the “**Company**”) (CSE:SOLV) (OTCQB: SOLBF), an innovative cybersecurity company that provides proprietary data authentication using advanced cryptography on a SaaS based model, is pleased to announce that it has entered into a product design agreement with KRFTWRK Inc. (“**KRFTWRK**”), a Toronto, Ontario based leading product design and digital marketing company, to collaborate in developing unique user experiences and user interfaces for SoLVBL’s cybersecurity and data authentication products.

With the recent hiring of key technical people and the appointment of Jim Slinowsky as the head of product development, SoLVBL plans to rapidly roll out new cybersecurity and data authentication products in 2022. KRFTWRK’s collaboration in product design, including developing unique user experience, wire-framing and high-fidelity design prototypes will allow SoLVBL to ensure new cybersecurity products are developed and delivered on-time and at the quality level our customers expect.

“We are very excited to be working with KRFTWRK to develop exciting new data authentication and cybersecurity products for our institutional and corporate clients,” said Kaiser Akbar, President & CEO of SoLVBL. “SoLVBL is at the forefront of the rapidly changing data authentication and cybersecurity landscape, and KRFTWRK looks forward to partnering with SoLVBL as they obtain a leadership position in this space.” said Justin Wood, founder and CEO of KRFTWRK.
