

SoLVBL Solutions Inc. Announces Letter of Intent to Acquire Darkhorse Films Limited, a Leading Vertically Integrated E-Commerce & Digital Film Making Studio for \$10.15 Million

Toronto, Ontario--(Newsfile Corp. - September 13, 2022) - SoLVBL Solutions Inc. (CSE: SOLV) (OTCQB: SOLBF) ("**SoLVBL**" or the "**Company**"), an innovative cybersecurity company that provides immutable data authentication using advanced cryptography on a SaaS based model, is pleased to announce that the Company has entered into a non-binding Letter of Intent (the "**LOI**") to acquire Darkhorse Films Limited ("**Darkhorse**"), a United Kingdom registered entertainment business (the "**Transaction**") on September 12, 2022.

This Transaction forges a potentially lucrative revenue stream in the digital film, content production and distribution market for SoLVBL in the US, UK and Europe. The Company's Q by SoLVBL[™] platform for data authentication and cybersecurity will be integrated into the Darkhorse technology platform, thereby delivering immutable security to Darkhorse digital media assets and to the content of other film and media companies.

Kaiser Akbar, President & CEO of SoLVBL stated: "This acquisition marks the beginning of a new era for SoLVBL and will offer the Company's Q by SoLVBL[™] platform direct access to a number of new and highly scalable industries, specifically throughout the USA, Europe and the UK. Furthermore, the transaction will offer the Company increased financial and product flexibility, including new revenue streams while adding a revenue generating business. While this is our first acquisition, we have previously noted that we will seek acquisitions that are financially accretive, advance our technology platform, and enhance our pipelines of opportunities. Our core focus remains the expansion of *Q by SoLVBL[™]* proprietary technology, broadening our suite of blockchain products, growing our potential customer base significantly and scaling our geographic presence. Our Board and senior management believe the acquisition of Darkhorse will benefit our stakeholders and accelerate the growth opportunities of our product suite".

David van Herwaarde, CEO and Co-Founder of Darkhorse commented: " We are pleased to have reached this agreement with SoLVBL, which we believe will deliver significant and immediate value to both SoLVBL and Darkhorse's shareholders. Both parties believe Darkhorse's expertise in operating its digital entertainment and technical infrastructure businesses, combined with its worldwide relationships, resources and access to long-term private and public capital markets, will provide greater flexibility for SoLVBL to continue advancing its business growth plan. We at Darkhorse are set to play our part and assist in the Company's product expansion strategy."

Terry Stone Co-Founder of Darkhorse added: “We look forward to working with the experienced SoLVBL team as they continue to develop and deploy reliable technology with a view to serve their diverse set of cybersecurity pipelines, amongst other opportunities. We intend to introduce the Q by SoLVBL™ technology to the film, television and digital e-commerce industries, as well as integrating our own e-commerce and film production business into the SoLVBL framework. By joining forces with SoLVBL we anticipate our business expansion into the USA and North America will escalate dramatically. The entire Darkhorse team is looking forward to working with SoLVBL and supporting the Company’s aggressive scaling strategy. It is certainly exciting times ahead for everyone”.

Certain Transaction Terms

The closing of the Transaction, is subject to satisfaction of customary closing conditions including satisfactory completion of the due diligence of the business of Darkhorse. SoLVBL will acquire all the issued and outstanding shares of Darkhorse, with a total transaction value of CAD \$10,150,000 (Ten Million One Hundred and Fifty Thousand dollars) (the "**Purchase Price**") to be settled via SoLVBL common shares, cash and a deferred cash payment. Closing of the Transaction is subject to acceptance by CSE.

All shares of SoLVBL that are issued to Darkhorse will be subject to certain escrow conditions, including timed release of shares based on milestones being met by Darkhorse.

At the close of the Transaction, the Company will add two (2) directors, nominated by Darkhorse, to its board. In addition, all employees and consultants of Darkhorse will join SoLVBL.

Closing of the Transaction

Upon the closing of the Transaction, the Company will hold 100% of the shares in Darkhorse, free and clear of all encumbrances in consideration of the purchase price. The assets of Darkhorse include but are not limited to the Darkhorse Film brand, all trademarks, film production exploitation rights and content rights to all films contracted by Darkhorse’s existing and future third-party production agreements, access to Darkhorse’s celebrity ambassadors and social media influencers, and all other assets and liabilities not specified within this announcement but have been determined throughout the due-diligence period.

About Darkhorse Films Limited

Darkhorse is both a blockchain powered Business to Business (“**B2B**”) and Direct to Customer (“**DTC**”) movie digital content studio. The company operates and commercializes its business via a highly scalable fully integrated digital Technology Stack. Darkhorse’s revenue is generated from movie content distribution and traditional/digital e-commerce underpinned by distributed ledger technology.

The company’s e-commerce operations include a digital content sales platform, a digital marketplace and a full vertically integrated ecosystem. The company specializes in the deployment of cutting-edge digital assets to the burgeoning movie and television industries and the Next-Gen digital currency enthusiasts. Darkhorse acts as a global gateway where sales of

traditional and digital assets take place directly to customers within the company's and its partners' global ecosystems. Darkhorse links and commercialize the traditional and the new forward-thinking consumer with the worlds of film, television, music and digital e-commerce.

Further Notifications

Subject to policies of the Canadian Securities Exchange all newly issued shares are to be escrowed and will be subject to a voting trust agreement. The Transaction is also subject to customary regulatory and the CSE approvals.

The Company intends to update its shareholders and the market of the Transaction particulars upon the completion of the customary closing conditions.

The Company wishes to thank all stakeholders and partners for their continued support.
